

Thank you!

**Thank you.....to all who were a part of our Community Day
sponsored by Consumers Energy B.T.S. Department
with partners S.A.P. and H.C.L. ~ August 21st, 2013**

Thank you for blessing all 5 agencies in the Partnership Park area: YMCA, Interfaith Shelter, Partnership Park Association, Council for the Prevention of Child Abuse and Neglect and Together We Can Make A Difference with more than \$10,000 in materials and 250 volunteers.

What an amazing day (plus lots of preliminary preparation time)! Thank you for investing in our community through us!

Wash Tub Laundry on Francis where we help people most months with Laundry Angels and

who has partnered with us in ministry, is so blessed to have their washers and dryers running again! We took Laundry Angels in the very next day, and were able to help everyone at the same time because of your efforts! We and

Mr. & Mrs. Fletcher are so very grateful for your help!

Our Kibby Road Community Garden has now doubled in size for next year, thanks

to you and your investment of both time, hard work and money. (So so sorry to all who found poison ivy). Last year, at our former location, we were able to produce almost 400 gallons of food for our families. Because of your help, we will be moving closer to that number again!

Our carriage house at the Make a Difference house looks wonderful.

Lil Mama's Clothing Store, added your gifts, and distributed 240 items last week. Thank you for helping our families get ready for school.

Thank you for the beautiful blankets. They will go to help someone stay warm this winter. Thank you for your toys and the personal care items. They will really help our neighbors celebrate Christmas.

I've been a single Mom with 4 kids. I know how hard it can be, but I've never wanted for a roll of toilet paper, a bar of soap, or a way to wash my family's clothing. I have met people in our city who need help with those very basic things. Thank you for all the ways you have helped us "Give a Hand Up"

*Thank you and be blessed,
